● Operating Period: December 4 - April 10

※ Night Skiing - December 23 - April 2

★ Hours are subject to change for the early snow and spring ski season.

NEW

Pandaruman Adventure Park

- Enjoy Pandaruman with daddy
- Torinoren, get through and get thrilled!
- Do-re-mi-fa, ring the sound! and many more activities

● Admittance fee: ¥1,000

Access the park by two snow escalators from the beginners' course alongside the Romance Lift #4!

Unconditioned Zone
Enjoy the unconditioned natural powder snow and magic.

Precautions
● Beginners and ill-equipped skiers are not allowed.
● In case of bad weather or bad condition, entry is limited to advanced skiers.

Training equipment allowed!
You can use "ski tip cross stoppers" attachable to child ski tips and "support belts" for speed control at all areas.

Notice on changes in difficulty settings
We have reviewed the difficulty settings for the slopes considering the safety of guests, and limited the slopes from the Large Trail to the front of the hotel to intermediate and advanced skiers. Beginners must use the Prince Gondola #2 to descend the mountain.

TRICK SNOW PARK

Attraction for Children and beginners

Family Zone

Waku-Waku Family Snowlane

Warning
This ski area strictly prohibits skiing outside the designated courses. Never get into areas with "No Admittance" signs.

If our staff find out our skier outside the courses, his/her lift pass will be forfeited.
The rescue service does not cover any area outside the courses. A rescue fee will be charged for any request outside the courses.

Level Indication by Steps

Naeba Ski Resort indicates the course levels to support the guests to raise their levels.

Sunrise Skiing (early morning skiing)

A tight, early morning bath gives you much exhilaration. Good Acceptance has brought this program back this year!
